Tom, I'm holding you responsible for saying they are coming in hourly! 😊

Here are all the incomings so far in one place so you have the numbers (the PDF names), and the incoming letter to share in your weekly reports.

Let me know if you want to be involved with any of the responses once reading them. Please note: the response on behalf of the president went up the chain while I was out, you have the response on behalf of the Administrator for comment by Thursday.

All the rest will be short thank you letters for their support of FL's effort. These latter ones I think will be for John or Brian's signature. I have to check as the control sheet below does not tell me.

Kelly, while these were controlled to HQ for response, I suspect that such incoming letters may be needed for the record. Maybe not, but you have them in case they are.

- Happy reading,
Kathy
